

Paco Jiménez Alba

IT SUPPORT TECHNICIAN WITH A BACKGROUND IN WEB DEVELOPMENT, TRANSITIONING INTO A JUNIOR DEVELOPER ROLE

I'm an IT Support Technician with hands-on experience in technical support, team leadership, and software testing, with a solid foundation in Web Development.

I enjoy solving problems, learning new technologies and collaborating with teams.

I currently live in Cádiz, Spain, but I'm looking for an opportunity abroad to improve my English skills and grow professionally in an international environment.
